

# PACE ILLINOIS ROUTE 390 TOLLWAY

## CORRIDOR SERVICE STUDY

### Focus Group Recommendations

Two focus groups will be convened to assist with identifying and assessing prospective Pace users in the corridor and to discuss the business and community demand for transit in the area. One focus group will include **businesses in the area** and the other will include local **community service organizations**. We kindly ask for your assistance in providing recommendations for focus group members below. The information provided during the focus groups will only be used for project purposes.

Please provide a recommendation for the name of an **employee or business** for the focus group.
