I-PASS Sales Spiked Prior to Tolling

Jewel stores located near Illinois Route 390

- Schaumburg
- Elk Grove Village
- Carol Stream
- Glendale Heights
- Streamwood
- Wood Dale

Sales increased from less than 200 per week to 1,000 a week

The Illinois Tollway
DRIVING THE FUTURE

Cashless Tolling

The Illinois Tollway
DRIVING THE FUTURE

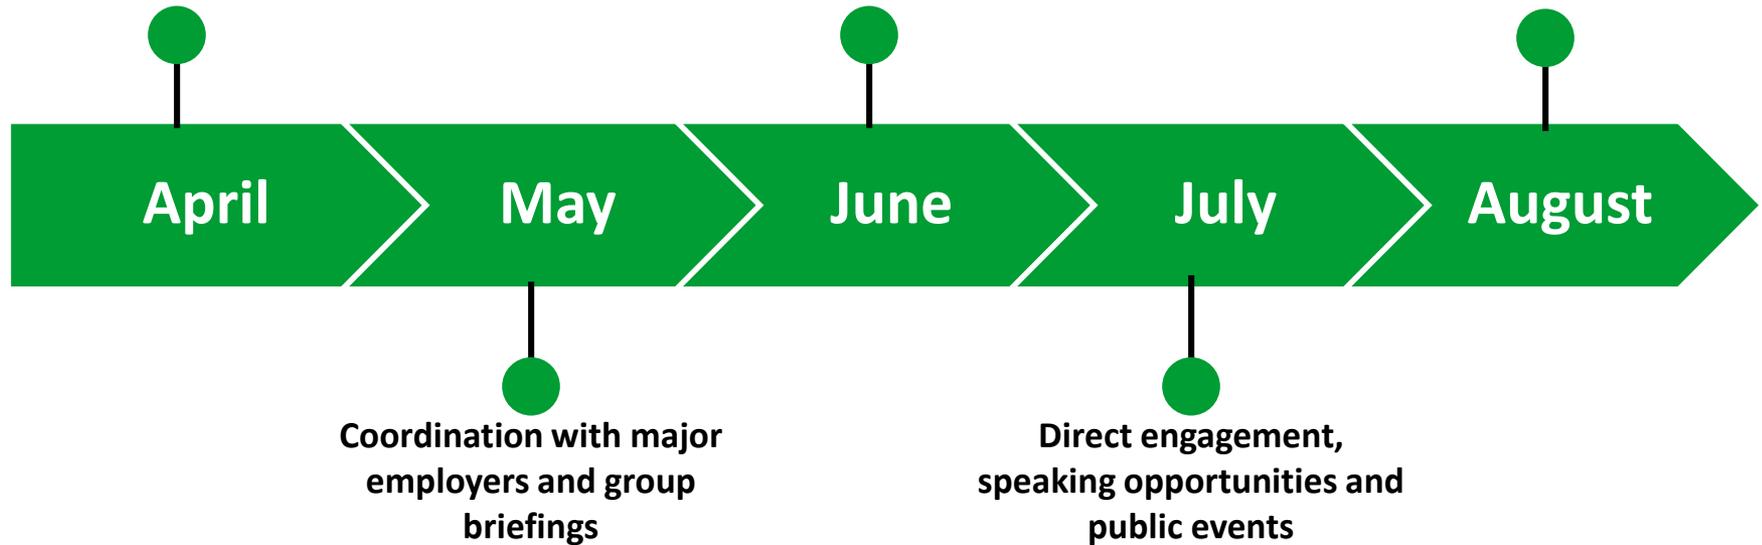

Savings • Safety • Convenience • Environmentally Conscious

Activities Timeline

Toolkit distribution
and starter kit

Targeted public
outreach and
engagement

Ongoing public
education and outreach

Illinois Route 390 Tollway Usage

Factors being considered

I-PASS usage

- Transponders
- V-tolls
- Missed tolls

Local road usage

Flow of traffic/congestion on Illinois Route 390

Travel times on Illinois Route 390

- Improved times
- Comparison with alternative roadways

Frontage Roads

Illinois Route 390 Tollway Frontage Road Update

New frontage roads system along Illinois Route 390 Tollway from I-290 to York Road

- New frontage road names effective late 2017 - “North Thorndale Avenue” and “South Thorndale Avenue”
- Conversion of existing Thorndale Avenue
 - New traffic pattern - Summer 2016
 - Final configuration anticipated to be completed late 2017

The Illinois Tollway
DRIVING
THE FUTURE

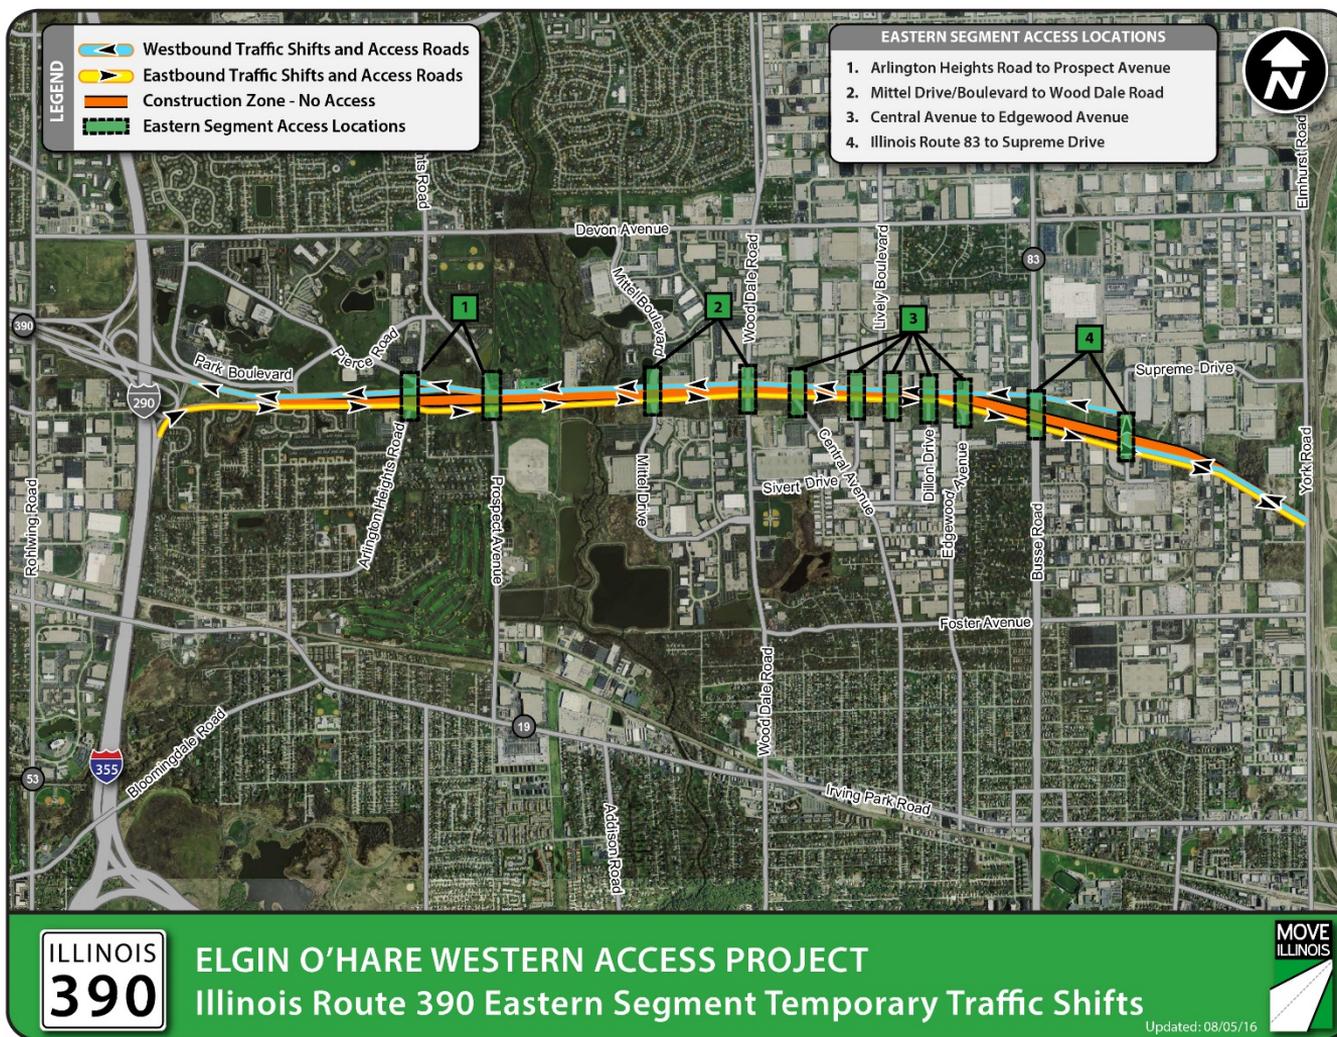

Conversion of Existing Thorndale Avenue to Frontage Roads

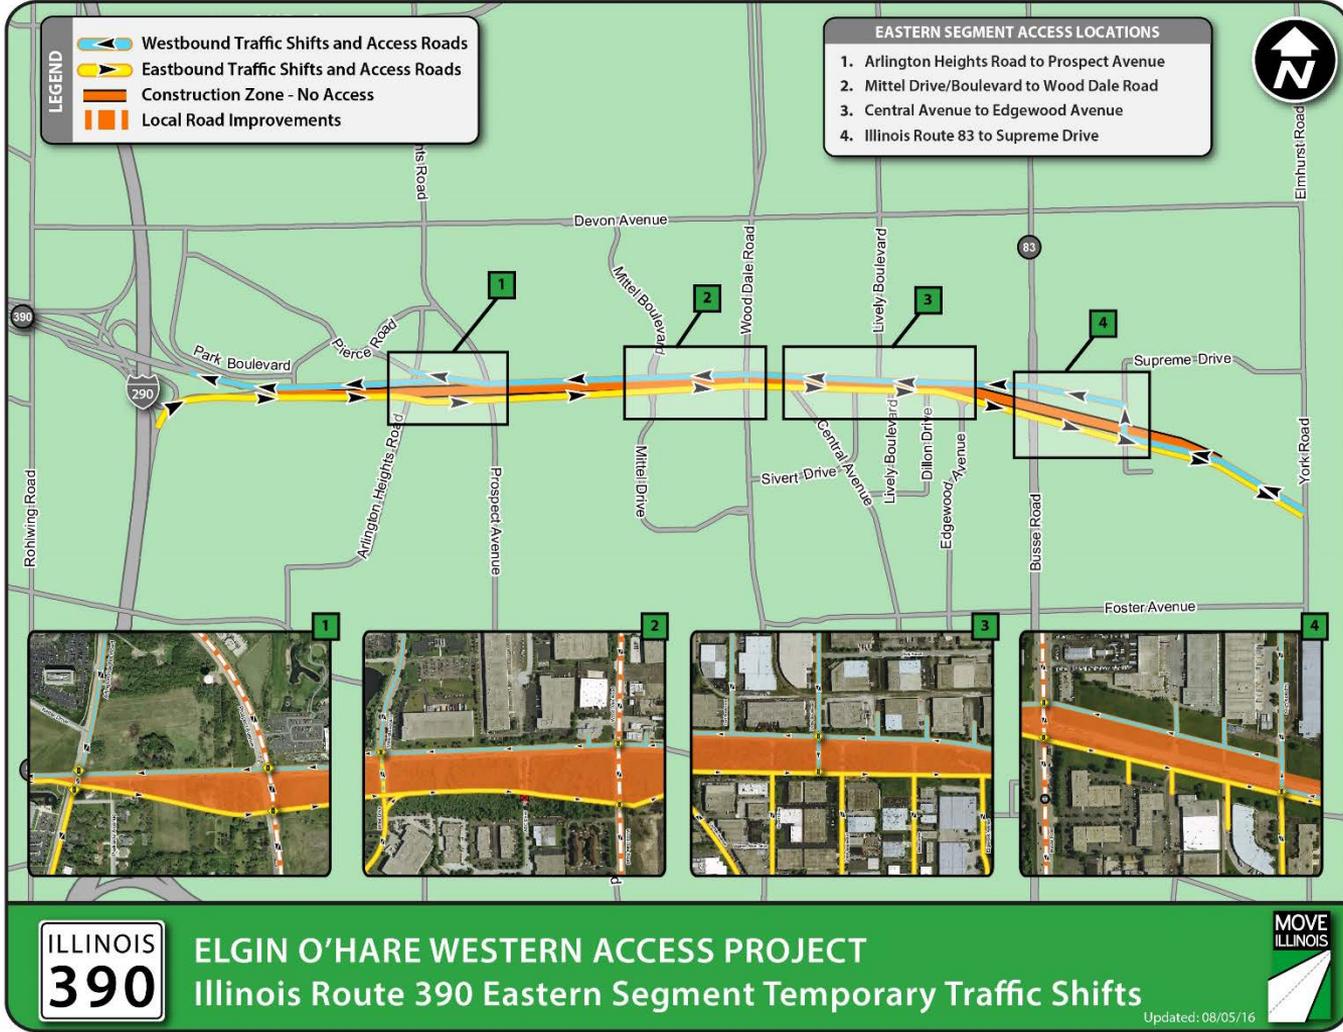

Traffic on existing Thorndale Avenue will be modified this summer in phases

Local eastbound and westbound traffic will be temporarily routed along portions of existing Thorndale Avenue and new frontage road/mainline roadway segments
