Pursuant to the requirements of the Authority's By-Laws, Notice is hereby given of the Regular Board Meeting of the Authority to be held on Thursday, May 27, 2021 at 10:00 a.m. Due to necessary precautions relating to Coronavirus (COVID-19), in accordance with the Gubernatorial Disaster Proclamation and current conditions, and consistent with the legislature's recent amendments to the Open Meeting Act, 5 ILCS 120/7(e), which suspend the requirement of a physical quorum, the May 27, 2021 Board Meeting will be held telephonically.

There will be live audio feed of the committee meetings available on the Tollway website at www.illinoistollway.com while in session. Members of the public who wish to make public comment may participate *via* audio conference call by calling 1-800-875-3456 and giving the verbal passcode: "Tollway".

Willard S. Evans, Jr., Chairman

An audio file will be available five business days after the meeting at www.illinoistollway.com, and written meeting minutes will be available at www.illinoistollway.com after their approval at the next regular Board meeting.

Upon notification of anticipated participation, the Tollway will endeavor to ensure that individuals with disabilities can participate in this meeting. Persons with disabilities who plan to participate and need accommodations to do so should contact the EEO/AA/ADA Officer of The Illinois State Toll Highway Authority at (630) 241-6800, Ext. 1010, at least two days in advance of the meeting, and if possible, the Tollway will provide reasonable accommodations. Related information, which may or may not be applicable to this telephonic meeting, can be found on the Tollway's website: <https://www.illinoistollway.com/about/board-information/>.

Extra Work Order

Contract #: I-19-4496

Vendor: Walsh Construction Company II, LLC; Chicago, IL

Description: Roadway and Bridge Reconstruction

Location: Tri-State Tollway (I-294) between MP 30.9 Ramp J from South of I-88 to MP 31.8 North of I-290

Change Amount: \$2,129,752.00

Reason: This construction extra work order provides for schedule recovery in the form of additional mobilizations, premium time for extended shifts and weekend work, winter work and inefficiencies for out of sequence work due to a delayed start for relocation of watermain and sewers. This work is necessary to meet the original contract schedule and to avoid causing impacts to subsequent mainline construction work for the Central Tri-State Tollway project.

Impact on Completion: No current impact.

Company Information

Walsh Construction Company is a family held business since 1898 and was incorporated in Illinois in 1949. They have 15 locations and is headquartered in Illinois and employ over 5,000 engineers and skilled tradesmen. There are over 300 employees in their Chicago, IL location.

Contract #: N/A

Description: Rescind Resolution No. 21864

Scope: As authorized by Resolution 21864, the Tollway to entered into an Intergovernmental Agreement with the County of DuPage (“County”) pursuant to which the Tollway agreed to reimburse the County for its planned expansion of the capacity of the Elmhurst Quarry Flood Control Facility to accommodate the Tollway’s need for compensatory stormwater storage as part of the Central Tri-State Reconstruction Project. The Tollway now intends to perform said work on its own behalf. Accordingly, the Tollway is seeking authorization to rescind Resolution 21864.

Amount: N/A. The estimated cost set forth in Resolution 21864 was \$1,330,000.

Project or Annual Budget Detail

RESCINDING RESOLUTION NO. 21864

On August 15, 2019, the Board of Directors of The Illinois State Toll Highway Authority (“Tollway”) passed Resolution No. 21864, directing the Tollway to enter into an intergovernmental agreement with the County of DuPage (“County”) relative to its planned expansion of the capacity of the Elmhurst Quarry Flood Control Facility (“Facility”).

Category	Contract Award
No Budgetary Impact	

Comments:

Subsequent to the passage of Resolution No. 21864, the Tollway determined that work in the Facility originally scheduled to be performed by the County will be performed by the Tollway. Accordingly, the need for the Tollway to reimburse the County for construction work no longer exists.

Contract Award – Tollway Request for Proposal

Contract #: 20-0066

Vendor: Professional Account Management, LLC; Milwaukee, WI

Description: Violation Enforcement Program

Scope: This contract provides an outsourced, turnkey solution for toll violation enforcement services. The Illinois Tollway issues approximately 4 million invoices annually for tolls not paid. While the majority of these are resolved by the Tollway, those invoices that remain unpaid will be placed with Professional Account Management for further collection enforcement efforts. Placements include unpaid toll amounts plus associated fees and fines. Additional placement of debt for collection efforts may include, but are not limited to: property damage receivables, HELP truck receivables, permit fees, and other past-due miscellaneous invoiced receivables. Professional Account Management will perform tasks that include: identifying registered owner of vehicles, printing and mailing of violation notifications, managing the adjudication hearing process, performing customer services, administering collections efforts, and reporting financial reconciliation. There are no direct costs to the Tollway for these services. Instead, as part of a revenue share of collected debt, a portion of recovered revenue by Professional Account Management will be paid to the Tollway.

Amount: Revenue share: 100% of collected tolls and 87% of collected fees and fines

Company Information

Professional Account Management (a wholly owned subsidiary of Duncan Solutions, Inc.) is a limited liability company with 35 years in business and approximately 330 employees. They are a collection agency for citation management, issuance, and debt collection services for city, municipal, and state agencies.
