QUESTIONS: The Tollway has received the following questions to RRFP 24-01, 24-02, and 24-03 via the research@getipass.com mailbox. The Tollway offers the following responses:

Question 1: I have a question regarding RRFP 24-02. I believe this RRFP is a duplicate from 2023. Perhaps the project was not awarded in 2023 but I'm also just curious if this is mistake? If it is intended is this an extension from the 2023 project?

Answer: The project was not awarded in 2023 and is being resolicited with some modifications as 24-02.

Question 2: Are we eligible to submit a research proposal as a university outside of Illinois?

Answer: Illinois Tollway research projects are not limited to universities within Illinois. Any institution would be eligible as long as they meet the definition of a "public agency" as defined under requirement #2 of the Special Conditions for Reviewing Proposals and Awarding Illinois Tollway Funds.
