

Stakeholder Advisory Team (SAT) – Team Member Toolkit

NEWSLETTER / EMAIL LANGUAGE

"As part of the ongoing public engagement process for their next capital plan, the Illinois Tollway has established a Stakeholder Advisory Team (SAT), a group of 40+ local leaders who will serve as a representative body of the region and provide recommendations for projects and initiatives. We are pleased that <participants name> will be representing <organization name> on the SAT. Our participation reflects our commitment to driving positive change and ensuring regional leaders are partners in the decision-making processes that helps connect our communities and create economic opportunities.

More than 1.6 million customers use the Tollway to reach their destinations safely, reliably and efficiently every single day. The next capital plan will build off the successes of the ongoing *Move Illinois* capital program and challenge the agency to think differently.

The SAT will work to define and expand upon on Governor Pritzker's four guiding principles for the capital plan— innovation, sustainability, equitable economic development and diversity and inclusion. The SAT will hold its first meeting in April 2024 and we look forward to a productive and collaborative process.

For the latest developments regarding the Tollway's next capital plan, visiting www.illinoistollway.com/future. You also can take a public survey at <https://www.surveymonkey.com/r/CapitalPlanPriorities> and share your priorities for the Tollway."
