**Order Against DoIT Master Contract**

**Contract #:** 24-0227

**Vendor:** Presidio Networked Solutions LLC; Fulton, MD

**Description:** Cisco Splunk Cloud and Enterprise Management

**Scope:** This contract provides a source for the purchase of Cisco Splunk Cloud and Enterprise Management to replace an outdated SIEM (Security Incident and Event Management) platform with modern “next gen” technology. This will enable the Tollway to better detect, respond, and resolve security events related to current emerging cyber threats. Enhanced features include, but are not limited to, log ingestion of cloud logs, threat intelligence (IPs, domains, hashes, etc.), user and entity behavior analytics, case management and automated responses (SOAR - security orchestration, automation, and response). Considered best in class, the comprehensive security features provided by the Splunk product enables the Tollway to obtain optimum cyber insurance rates.

**Amount:** \$1,334,097.00

**Company Information**

Presidio Networked Solutions is a limited liability company with 22 years in business and approximately 3,000 employees.
