

PUBLIC NOTICE
The Illinois State Toll Highway Authority
NOTICE OF AUGUST 2025
COMMITTEE MEETINGS

Monday, August 18, 2025

Public Notice is hereby given of the following schedule of Board Committee meetings for Thursday, August 21, 2025:

- The Diversity & Inclusion Committee for August 21, 2025 has been **CANCELED.**
- The Technology & Operations Committee will meet Thursday, August 21, 2025 at 8:30 a.m.
- The Finance & Audit Committee will meet Thursday, August 21, 2025, at 8:45 a.m.
- The Engineering, Planning & Development Oversight Committee will meet Thursday, August 21, 2025, at 9:00 a.m.

All meetings will take place in the Boardroom of Tollway Headquarters, 2700 Ogden Avenue, Downers Grove, Illinois, 60515.

Upon notification of anticipated participation, the Tollway will endeavor to ensure that individuals with disabilities can participate in this meeting. Persons with disabilities who plan to participate and need accommodations to do so should contact the EEO/AA/ADA Officer of The Illinois State Toll Highway Authority at (630) 241-6800, Ext. 1010, at least two days in advance of the meeting, and if possible, the Tollway will provide reasonable accommodations. Related information, which may or may not be applicable to this telephonic meeting, can be found on the Tollway's website: <https://www.illinoistollway.com/about/board-information/>.

There will be live feed of the committee meetings available on the Tollway website at www.illinoistollway.com while in session. An audio/video file will be available five business days after the meeting at www.illinoistollway.com and written meeting minutes will be available at www.illinoistollway.com after their approval at the next regular meeting.

Activity Type: Approval/Resolution

Order Against DoIT Master Contract

Contract #: 25-0086

Vendor: Gartner, Inc.; Stamford, CT

Description: IT Research and Advisory Services

Scope: This contract provides subscription-based licenses for senior Tollway IT staff to access a leading advisory company's in-depth reports, articles, and market analysis as well as access to practice leaders on emerging IT risks. Staff can obtain insight, advice, and tools including research reports, data, and analytics on technology trends, market forecasts, and best practices in cyber security, data management, digital transformation, and other key areas. The advisory services include tailored advice to the Tollway through consultations which help make informed decisions on short-term and long-term strategies.

Amount: \$505,388.92

Company Information

Gartner is incorporated with 46 years in business and approximately 10,475 employees. They are an American technological research and consulting firm whose clients include corporations, government agencies, technology companies, and investment firms.

Order Against CMS Master Contract

Contract #: 25-0121

Vendor: Direct Energy Business, LLC; Houston, TX

Description: Bulk Electricity, Systemwide

Scope: This contract provides a continued source for the purchase of bulk electricity for use at Tollway facilities. This request is for an unforeseen increase due to additional accounts for roadway lighting that were not accounted for in the original budget along with utility rate increases.

Amount: \$9,000,000.00

Company Information

Direct Energy Business is a limited liability company founded in 1986. In 2021, Direct Energy Business became a wholly owned subsidiary of NRG Energy, Inc. which is also headquartered in Houston and has approximately 15,637 employees. Direct Energy Business is a commercial and industrial retail energy provider serving nearly four million customers in North America.

Contract Award – Construction

Contract #: I-25-2014

Vendor: Aldridge Electric Inc.; Libertyville, IL

Subcontractors: DND Electric, Inc. (D/MBE, SBA 8(a), VOSB); Elite Fiber Optics LLC (D/MBE); J Ave Development Inc.(D/MBE); MIDCO Electric Supply, Inc. (D/WBE)

Description: Active Traffic Management (ATM) System, Intelligent Transportation System (ITS) Device and Fiber Installation

Location: Tri-State Tollway (I-294) MP 33.6 (North Avenue) to MP 40.0 (Balmoral Avenue)

Scope: This construction contract provides for installation of an active traffic management system, intelligent transportation system devices and fiber optic cable on the Tri-State Tollway between North Avenue and Balmoral Avenue. The work includes installation of ITS devices and associated equipment, active traffic management structures, fiber optic communication cable, and other miscellaneous work.

Award Amount: \$9,947,717.05

Company Information

Aldridge Electric was founded in Nebraska in 1932, was incorporated in Illinois in 1952, and is currently headquartered in Libertyville, IL. Aldridge has a staff of over 600 nationwide. Specialties include electrical contracting, design/build services, and project management.

Extra Work Order

Contract #: I-21-4833**Vendor:** F.H. Paschen, S.N. Nielsen & Associates, LLC; Chicago, IL**Description:** Roadway and Bridge Reconstruction and Widening**Location:** Tri-State Tollway (I-294) between MP 26.4 (47th Street) and MP 27.8 (Ogden Avenue)**Change Amount:** \$2,600,000.00

Reason: This construction extra work order is for costs for: i.) schedule recovery in the form of premium time for extended shifts and weekend work; ii.) resequencing work operations; and iii.) additional labor, material and equipment. The construction sequencing and traffic configuration for this contract was planned to align with adjacent contracts to minimize overall construction duration and impact to traffic on the Tri-State Tollway (I-294). The work under this contract was not able to proceed as planned due to delays that occurred on an adjacent contract between Ogden Avenue and Cermak Road with which the work is closely aligned. This extra work order provides a source for allowing work to proceed to mitigate against future cost increases and impacts to adjacent contract construction and winter operations. The amount of the extra work order is estimated, and only actual costs will be paid.

Impact on Completion: No current impact.

Company Information

F.H. Paschen, S.N. Nielsen & Associates, LLC was founded in the mid 1970's and is headquartered in Chicago, IL. They have a staff of over 200 employees and are one of the largest general contractors in the Midwest and specialize in all aspects of construction.

Description: Intelligent Transportation Systems (ITS) Construction Management Services Upon Request

Location: Systemwide

Scope: This professional engineering service contract provides construction management services upon request systemwide. This contract is task order based with an established upper limit of compensation. Tasks may include closed-circuit television (CCTV) camera installation, weigh-in-motion (WIM) repairs and installation, dynamic message sign (DMS) installation, and on call and as-needed work related to the Tollway System. The amount represents a not to exceed value based on scope and services as agreed upon.

Award Amount: \$3,000,000.00**Company Information**

American Veteran Engineering, PLLC was established in 2007 and headquartered in Lockport, IL. They specialize in landscape design, landscape construction and soil erosion control.

Financial Summary

Award Amount: \$3,000,000.00

Approval/Resolution

Addendum to an Intergovernmental Agreement

Contract #: N/A

Description: Approval of Intergovernmental Agreement Addendum with Cook County (“County”) and the City of Elmhurst

Scope: This Intergovernmental Agreement Addendum amends IGA No. 004713, dated December 19, 2019, which concerns a Tollway-led project on the Central Tri-State (I-294) between Plainfield Road and 87th Street & Roberts Road. The Tollway and the County are offsetting the costs for this project and the County-led project described in IGA No. 004713. As a result, the Tollway’s cost-participation in the County-led project will decrease by approximately \$7,042,671.

Amount: The Tollway’s cost participation the County-led project is being reduced from \$8,219,833 to approximately \$1,177,162.

Addendum to Intergovernmental Agreement

Contract #: N/A

Description: Approval of Intergovernmental Agreement Addendum with the Federal Aviation Administration (“FAA”)

Scope: The Tollway and the FAA seek to amend their May 8, 2024 Intergovernmental Agreement (“IGA”) to provide additional funding relative to aspects of the Elgin O’Hare Western Access project that impact FAA facilities situated along the western side of O’Hare airport, including but not limited to approach lighting systems, the low level wind shear alert system, airport surface detection equipment and Model X facilities.

Amount: Additional funding in an amount not to exceed \$705,456.

Item
Number:

6.2/3 / 6.4/3

Activity
Type:

Approval/Resolution

Amending Resolution

Contract #: N/A

Description: Amendment to Resolution Nos. 16283, 16312, 16832, 17250 and 19806 establishing the Contract Cost Change Controls Committee ("C5").

The Illinois State Toll Highway Authority ("Tollway"), pursuant to the Toll Highway Act, 605 ILCS 10/1, *et seq.* ("Act"), is granted all powers necessary to carry out its legislative purposes as to the construction, operation, regulation and maintenance of its system of toll highways. On July 31, 2003, the Board passed Resolution No. 16283, which delegates signature authority to approve certain change orders and extra work orders to various Tollway staff. On September 25, 2003, the Board passed Resolution No. 16312, which provides additional direction regarding the approval of change orders and extra work orders. On May 26, 2005 the Board passed Resolution No. 16832, which established a policy regarding the approval of change orders and extra work orders on construction projects. On May 27, 2006, the Board passed Resolution No. 17250, which clarifies and restates the above-referenced change order policy applicable to change orders and extra work orders. Relative to signature authority, Resolution No. 17250 provides designated Tollway staff the following authority:

Chief Engineer	Up to \$100,000
Executive Director	Up to \$150,000
Chairman	Up to \$200,000
Board	Over \$200,000

On October 25, 2012, the Board passed Resolution No. 19806, which extends Resolution Nos. 16832 and 17250 to all Tollway construction projects, including those authorized under the Move Illinois Program.

Due to the closely-related nature of change orders, extra work orders and authorizations to proceed, the delegations made in Resolution Nos. 16283, 16312, 16832, 17250 and 19806 have been deemed to apply to authorizations to proceed relative to all Tollway construction projects, including those authorized under the Move Illinois Program.

Relative to Resolution No. 17250, it is in the best interest of the Tollway to revise Item 4 therein to ensure that it is consistent with current Tollway practice. Specifically, Item 4 in Resolution No. 17250 should be deleted, in its entirety and replaced with the following:

For interim or final balancing change orders, the quantities for items within the following categories may be combined and the total combined amount will be used to calculate the required signature authority for that category:
that category:

- a. Roadway (Earthwork, Sub-bases and Bases, and Pavements
- b. Structures
- c. Drainage and Erosion Control
- d. Roadway Appurtenances (Roadway Safety, Roadway Marking, Signing and Delineation, and Traffic Control)

DRAFT

Engineering, Planning & Development

Item
Number:

6.2/3 / 6.4/3

Activity
Type:

Approval/Resolution

Amending Resolution

- e. Roadway Lighting and Electrical Work
- f. Facilities

Finally, on December 19, 2024, the Board approved a \$2 billion Bridging the Future Capital Program that will include extensive construction activities throughout the Tollway system similar in nature to past capital programs. The Bridging the Future Capital Program will enable the Tollway to advance projects that connect and modernize infrastructure, improve mobility and prepare for the future.

The delegations made in Resolution Nos. 16283, 16312, 16832, 17250 (as modified above) and 19806 now should be extended to all Tollway construction projects, including those authorized under the Bridging the Future Capital Program. In relation to all such projects, these Resolutions should be applicable to change orders, extra work orders and authorizations to proceed.
