Contract #: I-21-4732**Vendor:** Walsh Construction Company II, LLC; Chicago, IL**Description:** Railroad Bridge Construction Union Pacific Railroad and Earthwork**Location:** Elgin O'Hare Western Access Tollway (I-490) Franklin Avenue to South of Irving Park Road (IL-19) and Jane Addams Memorial Tollway (I-90) from MP 62.00 to MP 62.25 (Barrington Road)**Change Amount:** \$6,750,000.00

Reason: This construction change order/extra work order is for modification of pier construction and for additional piling installation. This work is required to coordinate rail operations with the Canadian Pacific Kansas City Southern (CPKC) Railroad. The installation of an additional track by CPKC within their Bensenville Yard requires modifications to an adjacent pier to prevent an impact to rail operations. The work includes modification of the pier foundation to allow construction to proceed. Also, for construction of other bridge piers, additional piling is needed for foundation construction due to underground site conditions differing from what was anticipated. The amount of the change order/extra work order is estimated and only actual costs will be paid.

Impact on Completion: No current impact.

Company Information

Walsh Construction Company II, LLC is a family-held business since 1898 and was incorporated in Illinois in 1949. They have 15 locations and are headquartered in Illinois and employ over 5,000 engineers and skilled tradesmen. They have over 300 employees in their Chicago, IL location.
