Contract Amendment – Tollway Sole Economically Feasible Source

Contract #: 23-0037

Vendor: Unisys Corporation; Blue Bell, PA

Description: Unisys System Maintenance and Support

Scope: The Tollway’s Unisys operating system requires support, which is provided by Unisys Corporation (“Unisys”) under Contract 23-0037. One of the requirements for receiving support under Contract 23-0037 is that the Tollway utilize a version of the Unisys operating system that is supported. The support services the Tollway needs for the required upgrade will cost \$49,734.00.

Extra Work Order

Contract #: I-21-4732

Vendor: Walsh Construction Company II, LLC; Chicago, IL

Description: Railroad Bridge Construction Union Pacific Railroad and Earthwork

Location: Elgin O'Hare Western Access Tollway (I-490) Franklin Avenue to South of Irving Park Road (IL-19) and Jane Addams Memorial Tollway (I-90) from MP 62.00 to MP 62.25 (Barrington Road)

Change Amount: \$7,700,000.00

Reason: This construction extra work order is for costs for: i.) schedule recovery in the form of premium time for extended shifts and weekend work; ii.) resequencing of work operations; iii.) coordination required for construction activities over railroad land and tracks; and iv.) additional labor, material, equipment and insurance. The work involved is highly complex and requires strict compliance with railroad protocols. All construction activities must be approved by Union Pacific Railroad (UPRR), and coordination with Canadian Pacific Kansas City Southern (CPKC) is mandated for operations within the Bensenville Yard. The extra work is necessary due to the increased effort and extended timelines for securing approvals from the Railroads, coordinating construction sequencing with utility relocation work and for mitigation of unexpected underground obstructions discovered within the railroad embankment during construction. The amount of the extra work order is estimated, and only actual costs will be paid.

Impact on Completion: No current impact.

Scope: As part of a settlement agreement between The Illinois State Toll Highway Authority (“Tollway”) and Chicago Title Land Trust Company as Trustee under Trust Agreement dated March 14, 2011, known as Trust No. 8002356758 (“Trustee”), for acquisition of Parcel NW-7B-12-003, the Tollway agreed to transfer a portion of its right of way to the Trustee, specifically, (i) Parcel NW-7B-12-901.2EX (which is located at the westerly end of Jarvis Avenue in Des Plaines, IL), and (ii) N-7B-45.3EX (which is located north of the westerly end of Jarvis Avenue in Des Plaines, IL), subject to a permanent easement in favor of the Tollway (specifically, N-7B-45.3P).

Accordingly, Staff requests that the Board declare Tollway Parcels NW-7B-12-901.2EX and N-7B-45.3EX, but for N-7B-45.3P, excess property.
