Extra Work Order

Contract #: I-21-4738**Vendor:** Lorig Construction Company; Des Plaines, IL**Description:** Railroad Track Relocation; Retaining Wall Construction; Earthwork Excavation**Location:** Elgin O'Hare Western Access Tollway (I-490) South of Grand Avenue to Irving Park Road (IL 19); Tri-State Tollway (I-294) to Franklin Avenue; MP 5.6 (Touhy Avenue IL 72) to MP 5.75 (Old Higgins Road)**Change Amount:** \$941,138.60

Reason: This construction extra work order is for costs for: i.) temporary soil retention modifications; and ii.) additional labor, material, and equipment. This work includes modifying the temporary soil retention system that is being installed to support construction of the new Union Pacific Railroad track. The Union Pacific Railroad (UPRR) updated requirements for the retention system after the contract was awarded and has mandated that the contractor meet UPRR's current requirements. The contractor must make the changes to secure UPRR approval to enable construction to proceed and not cause delay to adjacent I-490 work. The amount of the extra work order is estimated, and only actual costs will be paid.

Impact on Completion: No current impact.

Land Acquisition – Declaration of Excess Property

Contract #: N/A

Description: Declaration of parcel NS-702-001.EX2 as excess property.

Scope: The Village of Lemont (“Village”) is improving and extending Alba Street along I-355. In July 2026, the Village requested that the Tollway declare parcel NS-702-001.EX2 (“Parcel”) excess and, at a later date, transfer the Parcel to the Village so it can comply with an ADA requirement regarding public sidewalks.

The Tollway acquired parcel NS-702-001 for the south extension of I-355 on August 27, 1996. The parcel contains 4.0322 acres. The portion of the parcel the Village seeks ownership of is .001 acres. (Note, in January 2009, the Tollway sold a .0757 acre portion of the parcel to Cook County).

On August 7, 2026, the Excess Property Committee determined that the Tollway (i) currently does not need the Parcel for toll highway or appurtenant purposes, (ii) does not need the Parcel in connection with the maintenance and operation of the Tollway System, (iii) has no presently planned use for the Parcel, and (iv) does not need the Parcel for any foreseeable improvement. Accordingly, Staff requests that the Board declare parcel NS-702-001.EX2 excess property.

Amount: N/A
