

Navigating BidBuy and Small Business Registration in Illinois Procurement Gateway

BidBuy

How are vendors notified of procurement opportunities?

- BidBuy is the e-Procurement system used for CPO-GS procurements.
- Allows vendors to receive notification of procurement opportunities and submit bids/offers/quotes electronically.
- Free to register – no renewals necessary.
- Vendors must be registered in BidBuy in order to receive notifications and submit quotes.

NIGP Codes

- Codes developed by NIGP to categorize goods and services.
- Consist of a Class code and a Class Item code.
- For this application there is no requirement to register in any particular code. Select as many or as few codes as you feel apply to your organization.
- You will receive solicitations that have any of the codes you chose in your BidBuy registration

Illinois BidBuy

Item Information

Item # 1: (912 - 00) The location of work to be performed for this contract is the Reagan Memorial Tollway (I-88) between Mile Post 91.8 and Mile Post 93.6 in DeKalb County, Illinois. The work under this contract shall consist of repairs to bridges, approach slabs and mainline pavement, removal and replacement of pavement markings and raised pavement markers, and maintenance of traffic. REMINDER TO VENDORS SUBMITTING FORMS B-----Vendors intending to fulfill certification and disclosure requirements by supplying the State with their Illinois Procurement Gateway registration number, expiration date, and "FORMS B" documents must read this clarification document in its entirety. VENDORS UTILIZING "FORMS B" MUST BE REGISTERED SPECIFICALLY WITH THE ILLINOIS PROCUREMENT GATEWAY TO BE DEEMED RESPONSIVE TO THIS SOLICITATION. In order to verify that you are registered with the Illinois Procurement Gateway (IPG) please click on "Registered Vendor Directory" on the IPG homepage (<https://ipg.vendorreg.com>). Search for your Business Name. If your company does not appear in the search results, then you are not registered in the IPG. To use FORMS B, vendors must be listed in the "Registered Vendor Directory" as described above and provide a valid registration number with expiration date from the Illinois Procurement Gateway. Please note that it is possible for vendors, who have registered with another government entity (such as the City of Chicago's Compliance and Certification portal) using the same portal software, to have a registration number and expiration date for a different (non-State of Illinois) application process. Registration information from other government entities will not be accepted. If the "Registered Vendor Directory" does not list your company, then you must utilize the "FORMS A" option to meet the certification and disclosure requirements of this solicitation. Please submit Forms A with every bid/proposal until the State of Illinois notifies you that your IPG registration is approved, and your Business Name appears in the "Registered Vendor Directory" as described.

Small Business Set-Aside Program

Small Business Set-Aside Program (SBSP)

What is a "Small Business"? A small business means one that is independently owned and operated, is not dominant in its field or operation, and meets the required size status and the following sales limitations:

- No WHOLESALE business can exceed \$13 Million in annual sales.
- No RETAIL business can exceed \$8 Million in annual sales and receipts.
- No CONSTRUCTION business can exceed \$14 Million in annual sales and receipts.
- No MANUFACTURING business can employ more than 250 persons.
