CENTRAL TRI-STATE TOLLWAY

Environmental Working Group

Dear Environmental Working Group Member,

Thank you for agreeing to participate as a member of the Central Tri-State Tollway (I-294) Environmental Working Group. The Illinois Tollway is working closely with communities, businesses, elected officials, environmental and transportation organizations to develop a master plan to reconstruct I-294 between Balmoral Avenue and 95th Street as part of the 15-year, \$12 billion *Move Illinois* Program.

The first Environmental Working Group meeting will be held on **Tuesday, August 18, 2015, at 1:00 p.m. in room 207 at Illinois Tollway headquarters in Downers Grove.** Please plan on attending this kickoff meeting to help us further identify and define the environmental needs throughout the corridor.

You are also invited to attend the first [I-294 Corridor Planning Council meeting](#) that will be held at the Illinois Tollway on Friday, August 14, 2015, at 10:00 a.m. in room 219.

Sincerely,
Bryan Wagner
Illinois Tollway Environmental Policy and Program Manager
