

Share I-PASS with traveling friends and family

Make travel easier for out-of-town family members and friends driving on the Illinois Tollway system by sharing access to your I-PASS toll account.

I-PASS customers now have the ability to temporarily add license plates of traveling family and friends and rental cars to their I-PASS accounts. Plates can be added as authorized I-PASS account users to pay tolls electronically on the Illinois Tollway and avoid violations. Account holders can update their accounts online or by calling 800-UCI-PASS.

Truck/Trailer Rates Increase January 1

Toll rates increase for commercial trucks, buses, recreational vehicles and vehicles pulling trailers on January 1, 2019. Passenger vehicle toll rates will remain the same. The increase will help rebuild, improve and expand the agency's roads.

Annual toll rate increases for trucks and trailers are based on the Consumer Price Index. As a result, those rates will increase by 2 percent in 2019.

2019 toll rates are posted at all toll plazas across the Tollway system, as well as on the Tollway's website.
