Overview

Description and Specifications:

Subject to approval by the Illinois Tollway's Board of Directors, the Illinois Tollway is giving notice of intent to increase the value of contract 13-0056 Roadway Sweepings Pick-up and Disposal Services with Independent Recycling Services, Inc., and to add M-16 location for the remaining 14- month period. This Amendment will enable M-16 (Elk Grove) to regularly dispose of roadway sweepings accumulated throughout the Elgin-O'Hare Tollway (IL 90) corridor until the current contract ends. The safety of Tollway patrons would be jeopardized if loose gravel, stones, glass, etc. are propelled by passing vehicles and caused damage to other vehicles.

The contract was originally awarded under ref #22031155.

This amendment is in the best interest of the State and is germane to the original contract as signed
