**November 10, 2015 – Meeting Summary**

The fourth meeting of the Central Tri-State Tollway (I-294) Corridor Planning Council took place Tuesday, November 10, 2015, at the Lipinski Community Center in Justice. Illinois Tollway Deputy Chief of Engineering for Planning Rocco Zucchero and Village of Justice Mayor Kris Wasowicz welcomed the Council followed by a call for public comments, or which there were none.

Rocco Zucchero led a brief presentation outlining the agenda for the meeting, and he reviewed the discussion from the previous meeting. Bryan Wagner, Environmental Policy and Program Manager, presented a recap of the third and final Environmental Working Group meeting that was held October 20.

From this discussion CPC staff will edit the draft recommendations and will present these changes along with the draft final report to the Council at the final meeting in January.
