Draft Final Report Edits

Page 3 edits

- ▶ **Preface**
 - ▶ Clarifies how this report will be used
 - ▶ Explains what is a master plan

Pages 5 and 6 edits

- ▶ **Continued Engagement**
 - ▶ Explains next steps
 - ▶ Emphasizes the importance of continued engagement by council members and the Tollway

Page 8 edits

Recommendations

- ▶ Makes clear that trade-offs of environmental impacts and costs are to be evaluated if expansion is considered
- ▶ Highlights the importance of improving the congestion concerns at the interchanges with I-290 and I-55
- ▶ Suggests transit improvements similar to those on I-90 be evaluated

Page 9 edits

▶ **Partnerships**

- ▶ Reemphasizes Council's desire for partnerships
- ▶ Underscores opportunities to coordinate project with local improvements

Corridor Planning Council Report

- ▶ Consideration for adoption
- ▶ Customer Service, Sustainability and Planning Committee
- ▶ Tollway Board

Project Continues
