Overview

Description and Specifications:

The Illinois Tollway is giving notice of its intent to amend contract 11-0020R Overhead Door Repair by an additional six months, from 7/1/2015 through 12/31/2015. This amendment adds \$20,000.00 to the contract. This increase is to cover the repair and maintenance of all Tollway's overhead doors road wide. The initial term of the contract shall not exceed \$24,000.00 without a formal change order.

The contract was originally awarded under reference #22023913.

The change is germane to the original contract as signed and it is in the best interest of the State authorized by law because if left unserviced the buildings would be cold and it would jeopardize the safety and health of employees. The new solicitation is in process to be published on the IPB.
