Per Kathleen Miller in your claims department, I am requesting from you some additional information in regards to a loss that occurred on 1/7/2012. Our driver was traveling on the Illinois Tollway and struck a box that was in the middle of the road. According to your claims department, they are deying based on notification to the IL Tollway was only minutes before the accident occurred. I am requesting a copy of the documentation showing the time of the notification of the debris in the roadway.

If there is anything else you need from me, please feel free to contact me.

Thank you,

Karen
