Subject: FOIA Request - 04.21.14

Dear IL Tollway FOIA Officer:

This is a request under the 5 U.S.C. § 552. The information required is regarding Tollway Information from May 6, 2013.

Please provide me with copies of the following documents / materials:

1) We are seeking any information regarding an issued road closure on Route 88 near Route 30 and Preserve Road on May 6, 2013. We are interested in learning if Route 88 was in fact closed at all this day due to high winds.

I would like the information sent to me via email if stored electronically or we are available to provide our firm UPS shipping number for mailing if necessary.

Further, I understand that the Act permits a public body to charge a reasonable copying fee not to exceed the actual cost of reproduction and not including the costs of any search or review of the records (5 U.S.C. § 552,). We are willing to pay fees for this request up to a maximum of \$50.00. If you estimate that the fees will exceed this limit, please inform me first.

I look forward to hearing from you in writing within seven (7) working days, as required by the Act (5 U.S.C. § 552,). Please do not hesitate to contact me if you should have any questions.
