## ■ Illinois Route 53/120

- Monthly Finance Committee meetings
- Willingness to pay survey status
- Coordination with CMAP and Lake County on land use planning
- Presentations and outreach

# Interchange and Cost Sharing Policy

*(Updated in 2012)*

- **Fosters consistent, fair and streamlined approach to interchange requests**
- **Outlines requirements for local participation on new interchanges/access**
- **Updates project selection criteria**
- **Provides Tollway contribution considerations**
- **Clarifies how the Tollway will establish toll rates**
- **Identifies goals for new interchanges**
  - Economic development
  - Operational improvements and congestion reduction
  - Net revenue to cover Tollway cost in 10 to 15 years

# New/Expanded Interchange Status

Location	Type	Request Agency	Status
