

# DO YOU HAVE FAMILY COMING TO TOWN?

## Add their vehicles to your I-PASS account for the holiday season!

The Illinois Tollway is offering I-PASS customers the opportunity to gift out-of-town family members and friends traveling on the Illinois Tollway system with access to their toll accounts.

I-PASS customers now have the ability to temporarily add license plates of traveling family and friends and rental cars to their I-PASS accounts. Temporary plates can be added as authorized I-PASS account users to pay tolls electronically and avoid violations.

Account holders can update their accounts online at [illinoistollway.com](http://illinoistollway.com) or by calling 800-UC-IPASS.
