ILLINOIS ROUTE 390/ I-490 TOLLWAYS

ESTIMATED INVESTMENT: $833 MILLION

The Illinois Route 390 Tollway originally opened in 2017, streamlining access to the west side of O'Hare International Airport and the industry surrounding it. Illinois Route 390 will connect to the I-490 Tollway that is currently under construction around the western side of O'Hare Airport. Upon completion, Illinois Route 390 and I-490 will provide a crucial western bypass for the heavily congested area surrounding O'Hare Airport. **The capital program anticipates an $833 million investment in IL 390/I-490.**

THE PROJECTS

Project Name and Limits	Details	Cost (millions)	Project Type
IL 390 Road and Bridge Rehabilitation Lake Street to I-490	Rehabilitate IL 390 from Lake Street to I-490 near O'Hare through resurfacing and pavement preservation to improve access and support reliable travel. Improvements also include bridge replacement and rehabilitation, enhanced drainage systems, new intelligent transportation system (ITS) technology and support for continued regional investment around O'Hare.	$421	Infrastructure Renewal
