Construction Works & the Illinois Tollway Hiring Portal for Contractors

*Julia Garibay, DBE Program Manager,
Illinois Tollway Department of Diversity and Strategic Development*

September 21, 2026

ConstructionWorks

In conjunction with:

ConstructionWorks

Overview

- Access to available potential hires
- Customized staffing assistance
- Assists contractors in meeting EEO requirements
- Access to hiring incentives

ConstructionWorks

POWERED BY THE ILLINOIS TOLLWAY

HIRING INCENTIVES

A photograph of a construction site. In the foreground, a worker wearing a yellow hard hat, a grey hoodie, and a high-visibility orange and yellow safety vest stands with their back to the camera. They are wearing a tool belt and looking towards a large stack of rusted steel I-beams. In the background, two other workers in similar safety gear are visible, working on the site. The sky is overcast.

HIRING INCENTIVES

Candidates in the Hiring Portal are eligible to earn you both incentives concurrently, if contract allows.

1. Cash Reimbursement

- \$15 cash reimbursement
 - Up to \$100,000 per contract

2. Bid Credits

- Virtual dollars earned for each hour a ConstructionWorks hire works
 - Used to lower future Tollway bids

New Hire Bid Credit Bonus

- One-time new hire bonus of \$5000 in Bid Credits
- Available when the hire accumulates 160 work hours

ARE YOU MISSING OUT?

- **More than 80 active contractors** earning Bid Credits
- **More than \$25 million** in Bid Credits available
- **Nearly \$3 million** in Bid Credits earned in 2025
- **Nearly \$1.9 million** in cash reimbursements paid to participating contractors

THE ILLINOIS TOLLWAY HIRING PORTAL

HIRING PORTAL

Real time candidate database

- Meet workforce diversity goals
- Earn Workforce Hiring Incentives

Why use the portal?

- Direct access to pre-vetted, qualified candidates
- Track and manage screening steps from 1st contact to Hire
- Ability to search for specific requirements to fit project needs

ACCESSING THE HIRING PORTAL

Access the Hiring Portal by visiting the Illinois Tollway website

- Hiring Portal link is located under Doing Business → Diversity → ConstructionWorks

The screenshot shows the Illinois Tollway website. At the top is the logo and a search bar. Below the navigation bar, the breadcrumb trail reads "Doing Business / Diversity / ConstructionWorks". The main heading is "ConstructionWorks Program". The text describes the program as an innovative initiative to assist men and women in entering careers in the heavy highway and related construction industry. It also mentions that the program is funded by the Tollway and administered by the Chicago Cook Workforce Partnership. A red arrow points from the text area to a blue button labeled "Hiring Portal" in the bottom right corner, which is circled in red. Below the text is a table with two columns: "Map Number" and "Location Name and Address". The first row shows "1" and "Awaken (BEP)".

Illinois Tollway

What are you looking to do? **Search**

Doing Business / Diversity / **ConstructionWorks**

ConstructionWorks Program

The ConstructionWorks program is an innovative program that assists men and women into entering careers in the heavy highway and related construction industry. The program creates a pool of diversified candidates ready to work and linking them to hiring construction contractors.

The ConstructionWorks program is funded by the Tollway and administered by the Chicago Cook Workforce Partnership.

ConstructionWorks services are conveniently available throughout Illinois.

Skills

- Structural assembly and repair
- Heavy equipment operation
- Electrical systems troubleshooting
- Blueprint interpretation
- Remote-site construction logistics
- Safety compliance and hazard mitigation

Experience

Construction Technician – Rebel Alliance Infrastructure Corps

2025 – Present

- Assisted in reconstruction and fortification of critical Rebel bases following high-impact structural damage.
- Installed and repaired access tunnels, energy conduits, and blast-resistant infrastructure.
- Coordinated field teams during time-sensitive building operations in hazardous conditions.
- Conducted site assessments and recommended structural reinforcements to engineering staff.

Field Maintenance Operator – Lars Homestead, Tatooine

2022 - 2025

- Performed daily maintenance and repair on evaporator equipment, underground storage systems, and moisture collection infrastructure.
- Crafted and replaced worn mechanical components using limited tools and salvaged materials.
- Navigated challenging desert conditions to inspect remote units, improving operational uptime by 22 percent.
- Assisted with small-scale construction tasks, including structural patching and equipment housing fabrication.

Apprentice Technician – Kenobi Independent Contracting

- Conducted light construction work, small repairs, and environmental system adjustments under mentorship.
- Practiced safe operation of various tools and learned fundamentals of structural diagnostics.
- Supported emergency repair efforts on aging dwellings and frontier outposts.

Education & Training

Vocational Training – Tatooine Regional Technical Academy

Focus: Mechanical Systems, Structural Principles

Certifications

- Hazardous Environment Construction Safety (HECS)
- Remote Terrain Equipment Operation Certificate
- Structural Repair Technician Level I
