Registration Application: Document List Preview for Corporation

In addition to completing an application form, you will be required to submit supporting documents with your application. These documents can be submitted in electronic format. Applications submitted with electronic documentation are able to be received by the organization and reviewed faster.

Mandatory documents must be submitted with your application; there are no exceptions. **Required** documents must be submitted if applicable to the type of your firm and nature of its work. If you have any questions, please contact The Illinois Tollway before starting.

Review the items below **before** beginning the process to ensure you are able to and are comfortable providing the requested information. If you are unable or unwilling to provide the **Mandatory** documents, **do not proceed**. Failure to submit the attachments without an explanation as to why any such attachment was not provided will result in a delay in processing and your firm could ultimately be denied registration.

This document list will continue to be available after you start the application (click the **Documents** tab). You can also print the list to [your printer](#) or a [PDF file](#).

 Check this box and click **Continue** to start the application process.

ALERT: to ensure security of your Small Business Initiative, only **YOU** will have access to this record once it is created. By starting the process, it will initially be assigned to you, and no one else can access unless you reassign it to another user for completion or explicitly grant access by clicking the Utilities tab and adding a user to the Access List.

Timeline: you will have **90 days** to complete and submit this Small Business Initiative. Otherwise, the record will self-delete on **9/6/2026**. Periodic reminders will be sent to you by email up to that point. A deleted Small Business Initiative cannot be recovered; you will need to start again.

Required Documents

Required documents must be provided when applicable to your firm. Failure to submit a required document without an explanation as to why any such attachment was not provided will result in a delay in processing and/or could result in denial.
